## **Bicycle tours**

### **Vršič and Krnica (20 km – approximately 2 to 3 hours)**

The route takes you to the highest pass in Slovenia, Vršič, and through the picturesque Krnica valley. The length of the route is about 20 km, making it accessible for intermediate cyclists. The riding time is approximately 2 to 3 hours, depending on your pace. At the end of the route, you'll find the scenic Krnica valley, which is ideal for a short break to enjoy nature.

### **Tamar (10 km – approximately 1 to 1.5 hours)**

The route from Planica to Tamar and back is about 10 km and is suitable for cyclists of all levels. The riding time is approximately 1 to 1.5 hours. Upon reaching Tamar, you'll be greeted by beautiful views of the surrounding mountains, making it ideal for families and cyclists looking for a peaceful and scenic ride.

### **Tromeja (25 km – approximately 2.5 to 3 hours)**

Cycle to the point where Slovenia, Italy, and Austria meet. The bike trip to Tromeja allows you to explore this unique location where the borders of three countries intersect. The route is about 25 km long, placing it among the moderately challenging cycling tours. The riding time is approximately 2.5 to 3 hours.

## **Belopeška lakes (30 km – approximately 3 to 4 hours)**

The cycling route to Belopeška lakes is about 30 km long and is suitable for experienced cyclists. The riding time is between 3 to 4 hours, depending on your speed and the number of stops. The route takes you through picturesque alpine valleys, allowing you to admire the natural beauty and make short breaks in nearby villages.

## **Three Valleys (35 km – approximately 4 to 5 hours)**

The route connecting the three valleys offers plenty of opportunities for exploration. The trip through the three valleys is about 35 km long and is suitable for experienced cyclists who enjoy longer rides. The riding time is approximately 4 to 5 hours. This cycling route takes you through three valleys:

1. **Dolinska Valley:** A picturesque valley known for its natural beauty and recreational opportunities.
2. **Tamar:** A very popular valley located near Kranjska Gora, known for its hiking trails and natural attractions.
3. **Krnica:** This valley offers a tranquil natural environment, making it great for cycling and hiking, with stunning views.

Connecting these valleys through the "Three Valleys" cycling route allows cyclists to enjoy the diverse natural beauty this part of Slovenia has to offer. This route is an excellent choice for adventurers looking to explore the wider area around Kranjska Gora.
